MAVERICK V5.04 FOR THE C64/128

Most of you know that Maverick is the most advanced and reliable archival utility system ever made for the Commodore 64/128 series of computers. But just what does that mean? It means that you can transfer your important data files from disk to disk, even on different drive types (1541-1571-1581). It means you have the tools to repair blown disks - more tools than ever before. Most importantly, with Commodore programs becoming harder and harder to acquire, it means that you can make duplicates of your most important disks, even those that are heavily copy protected.

So, ask around about us -- check with your friends, your local users group or BBS, or national network. Our company and our products have a hard-earned reputation of excellence that we're very proud of. When our customers talk, we listen!

HOW TO ORDER

We accept Money orders, COD orders, Master card, Visa, Checks and cash.

We ship via United Parcel Service-Ground. Most software orders will have a \$6.00 shipping charge. Most hardware and out of country orders will include an additional \$3.00 shipping charge. COD orders add \$5.00. Prices are subject to change. Our Business hours are Monday through Thursday 12:00P.M. to 9:00 P.M. EST

Due to the limited supply of our software it is important to ALWAYS INCLUDE alternate titles when ordering to assure that your order can be completed.

BY PHONE: Please help us keep the cost of our products low by using the toll free phone line only for placing orders. Please be prepared to provide the stock numbers for products you are ordering.

BY FAX: Please fillout and fax the order form on the following page when ordering by fax.

BY MAIL: Please fillout and mail the order form on the following page.

BY EMAIL: Please include stock numbers. It is better to split your credit number in two parts when ordering via email. Always send orders to orders@centsible.com

OUR RETURN POLICY

All products are guaranteed to work correctly for 15 days from the date of purchase. Defective products must be returned within 19 days of the sale date and be in resalable condition. All original packing materials, accessories and warranty cards that were in the package must be included. All defective items returned may be exchanged for the same only. If the item is not available we will issue a credit. Shipping costs are nonrefundable.

INTERNATIONAL ORDERS

International Shipping charges are based on weight and location. Most International Orders that contain 1 or 2 peices of software or accessories will have an \$8.00 shipping charge. All other International orders will need to be weighed before shipping charges can be assessed. Please call for International order shipping quote: 1-616-471-1089
